A company commander is the commanding officer of a company; a military unit which typically consists of 100 to 250 soldiers, often organized into three or four smaller units called platoons. The exact organization of a company varies by country, service, and unit type. Aviation companies can have as few as 40 personnel, while some specialized companies such as maintenance or training units are ...

Company commander - Wikipedia

Company Commander is Major Russell Lewis's personal diary of his six month tour with the Parachute Regiment at Inkerman, which was the British Army's most exposed Forward Operating Base in Helmand Province, Afganistan. His story telling is calm and controlled but with warmth and passion and an obvious admiration and respect for the men who served under him. Their role is not to sit and wait ...

Company commander definition and meaning | Collins English ...

A Company Commander is an officer of the Astra Militarum who commands a single company of an Imperial Guard regiment. Standing proud amid the blood and thunder of the front lines, the Company Commander sets an unfaltering example to the men he leads. The titles held by these officers are as wildly varying as the worlds from whence they hail; an Imperial army on campaign may contain companies ...
