Free thinking : " The free exercise of reason in matters of religious belief, unrestrained by deference to authority. " . — Oxford Dictionary. The popular Wikipedia definition of free thinking- " Free thought is a philosophical viewpoint which holds that positions regarding truth should be formed on the basis of logic, reason, and empiricism, rather than authority, tradition, revelation, or other dogma " , seems accurate and comprehensive.

### The power of Free Thinking in education — Happy Horizons Trust

Free thought is an epistemological viewpoint which holds that beliefs should not be formed on the basis of authority, tradition, revelation, or dogma, and that beliefs should instead be reached by other methods such as logic, reason, and empirical observation. According to the Oxford English Dictionary, a freethinker is "a person who forms their own ideas and opinions rather than accepting those of other people, especially in religious teaching." In some contemporary thought in particular, free

### Free-thinking Synonyms, Free-thinking Antonyms | Thesaurus.com

You can be a free-thinking person and have political, moral, social, or religious convictions, as said previously. Just ensure that you did not adopt those because of the influence or pressure of others. But rather by your own, individual, thought-process. All free-thinking people do not "think" the same way or believe the same things.

### Freethinker | Definition of Freethinker at Dictionary.com

" As nature has uncovered from under this hard shell the seed for which she most tenderly cares - the propensity and vocation to free thinking - this gradually works back upon the character of the people, who thereby gradually become capable of managing freedom; finally, it affects the principles of government, which finds it to its advantage to treat men, who are now more than machines, in accordance with their dignity. "

### free thinking - French translation — Linguee

Free Thinking is the College's new fundraising campaign, which sees St John's taking the lead in addressing the key issues that face Cambridge and UK higher education as a whole today. The campaign is about taking action, now, to protect the College's core values: equality of opportunity, excellence in teaching, and the nurture of research.
