Often referred to as the "Bible of tarot books," it is a landmark book that helped launch today ' s Tarot renaissance. What can reliably guide us in times of rapid change? Tarot experts Rachel Pollack and Johannes Fiebig focus on the daily Tarot card and simple magical practices and offer interpretations for each of the 78 Tarot cards which can easily be put into practice. In addition, they discuss perspectives reaching until 2024 the current crucial period of transformation with 'Pluto in Capricorn'. It has become common practice, since the time of the renowned Order of the Golden Dawn, to assign the Tarot cards to individual sections of the yearly cycle (the decans). This quality of time, which the Tarot cards also express (which, however, is largely unknown) is skillfully used by the authors.

In this beautifully illustrated book, leading experts from the world of Tarot, including Rachel Pollack, Mary K. Greer, Ciro Marchetti, and Caitlin Matthews, share their insights into the cards of the Major Arcana, and reveal the profound impact that Tarot has had on their lives. Take a Magical Mystery Tour. Join celebrated Tarot author, artist, and scholar Rachel Pollack on a magical walk through the mysteries, archetypes, and dream-like images of the Tarot. In the tradition of Carl Jung and Joseph Campbell, Rachel draws upon symbols, myths, and folk tales both ancient and modern, to illuminate the spiritual truths behind the Tarot's symbols. The Forest of Souls unfolds like a dream, in a series of musings upon the confluence of the sacred and the mundane. How can a simple deck of 78 cards become keys unlocking life's greatest secrets? While the most common use of Tarot is for divination, Rachel shows how to use the cards for readings of an entirely different nature. Asking improbable, even impossible questions, she plays with the sacred possibilities and answers that the Tarot gives us. What nourishes my soul? What is soul? What is Tarot? What plan did God follow to create the universe? We now know that the Tarot was almost certainly not originally designed to include Kabbalistic and other occult correspondences. Yet such systems can greatly enhance our understanding of and relationship with the cards. Embracing paradox and non-linear thinking allows us to push the boundaries of the known and venture into the unknown. It is in that sacred space that we open ourselves to wonder and mystery.

When Ellen was fourteen, her cousin, Paul, angered a Malignant One, and he turned to Ellen for help. And then, when things had started to get out of hand, when the usual spells and charms didn't work, and when the usual agencies didn't want to know, she contacted Alison Birkett, the lawyer who specialised in demonic possession and corruption in the Spiritual Development Agency. And Ellen's life was changed... Temporary Agency is the follow-up to Rachel Pollack's acclaimed novel, Unquenchable Fire, winner of the 1988 Arthur C. Clarke Award. Set in the same strange America of Bright Beings, miracles and religious ritual, it is a fantasy of power and humour, love and pain.
