~~Annual report and financial statements~~

Annual reports The University publishes equality and diversity data annually to assess the progress made and challenges faced in achieving our equality and diversity objectives. This takes the form of two separate reports - the annual Diversity and Inclusion Report and the annual Gender Pay Gap Report.

~~Annual reports — University of Reading~~

Before reading the annual report, we strongly urge you to do your homework first. To fully understand and reap maximum insights from the annual report, you need to first know the technical skills necessary to read them. Would you dare to read a masters-level engineering textbook without first learning the basics of dynamics?

~~How To Read An Annual Report — InvestingNook~~

An annual report, as mentioned in the last article, contains a wealth of information on any event that has a material impact on the company. We also said that you will have to read it carefully in order to dig out those negative remarks since; it will be generally written in a positive tone.

~~How to read an Annual report. | Basics of Share Market~~

Writing an annual report can easily take eight weeks or more, bearing in mind that you need to gather the information, produce a draft, get it reviewed (often several times), then signed off by management and (probably) the board. Then you'll need to allow time for artworking, proofreading, printing and mailing.
