What Is Rhetoric? Rhetoric is simply the art of persuasion through effective speaking and writing. For many in our modern world, the word “rhetoric” has a pejorative meaning. They see rhetoric as the manipulation of truth or associate it with an overly fastidious concern with how things are said over what is said. But from ancient times up through the early 20th century, men believed learning the art of rhetoric was a noble pursuit and considered it an essential element of a well-rounded
