Product Support and Downloads | Tektronix

Sweet nostalgia! We're so glad you still love and use your vintage Tek equipment. While most of our pre-Internet-age models have been discontinued, we do have some manuals, data sheets and software for 1990's (and older) products on our Tektronix Product Support page. If you can't find yours, chances are it was a printed-only copy and isn't available for download on our site.

The pdf service file I have for the 2213a does not show that screw in the mechanical parts section. It does show a similar screw (by inspection) on the exploded view of the side of the chassis- page 156 of the manual, screw indexed at number 64. I read the description of item 64 as meaning it should be a T9 screw head.
